

Where women connect, collaborate and contribute

WE@MFS is an employee resource group (ERG) for women and their allies. Our mission is to empower women to achieve professional fulfillment and contribute meaningfully to the long-term success of our company.

THE POWER OF SHARED EXPERIENCE

WE@MFS has built a thriving women's network that supports employees while promoting both professional and personal growth. WE@MFS encourages women to advance their skills and leadership potential through mentorship, collaboration and advocacy.

BRINGING WOMEN — AND THEIR MALE ALLIES — TOGETHER

WE@MFS embraces and builds fulfilling connections. This includes developing mentor relationships that open doors to leadership and allow women to support and learn from each other and their allies. WE@MFS also identifies opportunities to increase the recruitment and retention of women at all levels of the firm.

WE@MFS HAS EMPOWERED WOMEN BY:

- 1 Providing authentic mentoring partnerships** through the WE@MFS Mentoring Program which helps women pursue personal and professional success
- 2 Hosting diverse and engaging programming** that highlights the unique contributions of women at MFS and within the broader community
- 3 Supporting underserved women in our communities** by fundraising for and volunteering with charitable organizations such as Stone House and the Women's Lunch place
