

## A place where you can be your true self

Pride@MFS is an employee resource group (ERG) that offers a welcoming community for LGBTQ+ employees and allies. Our mission is to promote LGBTQ+ focused networking, educational and social opportunities for our colleagues at MFS. We aim to foster positive, respectful and professional relationships that enrich our overall workplace.

### PUTTING OUR PASSION TO WORK

We've created a thriving LGBTQ+ network to support employees, promote professional and personal growth and help recruit and retain LGBTQ+ employees. We also help MFS establish and maintain industry-leading policies and training programs that address our community's needs.

### CONNECTING WITH OUR COMMUNITIES

We partner with other ERGs and groups across MFS to help engage our diverse communities and foster inclusion among employees. Outside of MFS, we serve those who need our support by cultivating relationships with community-based LGBTQ+ organizations and peer groups.

### WE TAKE PRIDE IN:

- 1 Raising awareness** and support for the transgender community
- 2 Helping young LGBTQ+** members launch their careers through resume writing and interview skills support
- 3 Recognizing intersections** with other diverse communities and working together to bring awareness to the issues we face
- 4 Creating a safe space** at work, called Café Pride where colleagues can come for conversation and connection
